Re: *Leighton Technologies LLC v. Oberthur Card Systems, S.A.*,  
Case No. 04 Civ. 02496 (CM) (LMS)

Dear Judge McMahon:

**MEMO ENDORSED**

Plaintiff Leighton Technologies LLC submits this letter to move the Court for an Order enlarging the time for Leighton Technologies LLC ("Leighton") to file its opposition to Oberthur Card Systems, S.A.'s ("Oberthur") Motion for Summary Judgment of Invalidity by three days and to enlarge Oberthur's response period by a like amount. Oberthur does not object to the enlargement. The Court previously granted a request to enlarge these deadlines so that Leighton could gather discovery on issues raised by Oberthur's Summary Judgment Motion.

Several depositions in this case noticed by Oberthur are scheduled to occur in the next few days and require significant travel. As a result, Leighton will need additional time to prepare and submit its opposition papers.

Leighton therefore respectfully request that the Court enter an order extending the deadline for Leighton's opposition papers to December 7, 2005 and the deadline for Oberthur's reply papers to December 29, 2005.
